REASON FOR LEGISLATION

To provide authority for the Mayor to execute a program agreement between the City of Lincoln and the State of Nebraska Department of Roads to allow the use of Federal Transportation Program Funds for preliminary engineering and final design for the S 17th Street Traffic Signal Project.

DISCUSSION / FINDINGS OF FACT:

The City of Lincoln (City) proposes to evaluate S. 17th & A, S. 17th & D, and S 17th & Washington to determine the appropriate type of vehicular and pedestrian control at each intersection. This project will consist of reviewing traffic counts, pedestrian activity, and sight distance requirements, identifying the type of control needed, and construction activities. The City and State of Nebraska Department of Roads wish to enter into an agreement which establishes the scope and fee for design services for this project. The State agrees to use the City's Federal Transportation Funds up to 80% of the actual cost of federal aid eligible items.
